

Embleton Joint Burial Committee

Request for Volunteer Help

Spitalford Cemetery House, Embleton, Alnwick

Renovation Project

To enable the preparation and specification works to be undertaken the wallpaper requires stripping from the walls of Cemetery House.

If this work is undertaken by volunteers it could save up to £1,000 in labour costs which could be used for the actual renovation works. These works are intended to provide affordable rented accommodation for a local family.

If you wish to be included on the list of volunteers please forward your availability, name, address and contact details to the Clerk, Embleton Joint Burial Committee by end of May 2018.

Geoff Newcombe

Clerk to Embleton Joint Burial Committee

On behalf of the:-

- Craster Parish Council ,
- Embleton Parish Council, and
- Newton by the Sea Parish Council.
