Planning Applications

Correspondence The following was received and circulated. Via mail; NCC local core strategy, Clerks and Council x 2, Local, Transport plan, CPRE, NCC joint meetings and Hospice care. Via email; NCC joint meetings, NALC AGM, NALC training, NALC VAT, Broadband USO, NCC Town and Parish Conference 5/10, Burial committee x 3, and Coquetdale cluster.

Any Other Business Councillor Sanderson gave us an update on recent changes at County Hall since the Conservatives formed the council, work on county hall site, site to be refurbished, contract cancelled for new building, consultation on what Ashington would like on council building site to take place. They were reviewing several areas education, schools and school transport and Arch. Councillor Sanderson is the cabinet member for local services and very interested to hear if there has been an improvement in verge cutting and pot holes. An update by JF on defibrillator granted money from WWCBF and broadband which is now operational in Hollinghill area. Two meetings taking place a NCC soon EB to go and JF. EM sent a message about concerns about overhanging branches on the road above Saw Mill cottages as nowhere for public to walk apart from in the road.

Next meeting- November 14th 2017.
