

## **Embleton Parish Neighbourhood Plan**

### **Consultation on Strategic Environmental Assessment Report**

Northumberland County Council has confirmed that Strategic Environmental Assessment is required for the Embleton Parish Neighbourhood Plan.

The assessment has now been undertaken and an Environmental Report has been prepared. The Environmental Report considers the impact introducing the policies in the Plan may have on the environment. In accordance with the SEA Regulations, Embleton Parish Council, as the 'responsible authority' for the purposes of those Regulations, must make the Environmental Report available for consultation. The assessment has been undertaken on the 'Draft Submission Version (April 2019)' of the Neighbourhood Plan. The Environmental Report and that version of the Neighbourhood Plan are now available to view on the Parish Council website:

Any comments you may have on the Strategic Environmental Assessment Report only must be made in writing either by email to [embletonneighbourhood@yahoo.com](mailto:embletonneighbourhood@yahoo.com) or by post to Westoe, Station Road, Embleton. NE66 3XJ.

All comments should be received before **5pm on Thursday 24th October 2019.**
