NOTICE REGARDING PARISH COUNCIL MEETINGS

Due to the current situation relating to Corona virus the Parish Council has decided that all monthly meetings should be held via Skype until further notice.

As this is a new procedure, we would ask that this month, we do not try and give members of the public access to the meeting via the Skype app although we hope to be able to offer this facility for the next meeting.

Should any member of the public wish to put forward a question, the PC have agreed that this month they will waive the “7 day rule” but would ask questions are emailed to the parish clerk as soon as possible.

Thank you for your understanding in this matter.

Parish Chair, Wooler Parish Council
