Review of Parliamentary Constituencies

The Boundary Commission for England has proposed changes to the Parliamentary Constituencies including moving Longhorsley (green below) from the Berwick constituency to the Hexham constituency.

You can view the details of all the proposals at bcereviews.org.uk.

If you wish to comment you can do so by Monday August 2nd.

The **Longhorsley Tree** is edited and delivered by a team of volunteers organised by St Helen's Church. We are indebted to Longhorsley Parish Council for funding the publication.

Free Adult Cycle Training

As part of their 'Gear Change' campaign NCC are funding cycle training skills to support adults to get their bikes back on the road, keeping fit and reducing carbon emissions. Courier Fraud Scams (was Breaking News)

Northumbria Police are urging residents to be cautious after three reports of a 'courier fraud' style-scam in Northumberland where a man claiming to be a police officer tried to coerce them into sending money, bank cards and other valuable 'evidence' to 'investigators' via a courier.

It's always the same advice for all unsolicited calls, text, emails and letters.

- If you think the communication could be genuine then contact the person or company the communication purports to come from.
- Use your normal contact details or look for a reliable source.
- Don't use the link or contact details in the unsolicited communication.
- If it's a phone call, dial 1471 first so you can check that the line is OK to use, or use a different phone.

COVID-19 Update (was Breaking News)

At the time of going to press the case rates in the UK and Northumberland were rising sharply with most of the new cases being of the Delta variant but number of patients in hospital and the death rates are all very low.

The data suggest that the success of the vaccination programme has begun to break the link between cases and hospitalisations.

As of June 22nd, in Northumberland there were 10 Covid patients in hospital and there had only been one death from Covid since the beginning of April.

Step 4 of the Roadmap out of Lockdown was delayed from 21 June but some rules did change at that time. The move to Step 4 will be confirmed one week in advance but it is expected to happen on 19 July.

That will mean

- No legal limits on social contact
- No legal limits on significant life events
- Remaining businesses such as nightclubs reopen

The Roadmap is about coming out of Lockdown. Other rules and guidance about keeping yourself and others safe - such as wearing face coverings, international travel and Covid-secure venues - may also be relaxed.

When details are confirmed we will post them on the newsletter website and leave cards in Millar's Village Shop and Longhorsley Village Hall.

Vaccination Update

By June 24th 83% of UK adults (44 million) had received their 1st dose and 61% (32 million) had received their 2nd dose. We are on target to give groups 1-9 and those over 40 their 2nd dose within 8 weeks and to give all adults their first dose by the end of July. If enough people accept the offer of vaccination we could achieve herd immunity by the end of August.

Home Testing Kits Available in Longhorsley

Shoulder of Mutton car park on alternate Wednesdays 9:30am to 11am

July 7th & 21st and August 4th & 18th.

We'll send a Breaking News if the dates change.

September Edition - We don't publish an August edition.

The last date for submissions is **August 20th.**

You can email, phone or leave short articles in Millar's Village Shop.

GROUP ACTIVITIES

Longhorsley Village Hall

Longhorsley Village Hall has re-opened but the majority of groups have decided to wait until September to restart. If you use the hall remember that Covid rules for face covering and social distancing still apply.

Toddler Group

Due to work commitments and our little ones not being so little any more the current organisers of the Thursday morning Toddler group will not be able to run the group from September when it reopens so we're looking for new helpers!

Please contact me if you can help or would like more information.

Many thanks, **Kathryn Fox** ☎ **788880** ✉ Kathryn.sfox@gmail.com

Walking Group

There will be no organised car sharing and we will meet at the start point of each walk as specified by the walk leader. There will be no organised pub lunch after the walk, however where suitable there may be the option of a picnic lunch.

The walks are usually 4 to 6 miles long and it's a good idea to bring a drink and energy snack on the walk.

The planned walks for July and August are:

Monday 5th July: Breamish Valley,
organised by **Jan and Sheena** ☎ **07801 005634**.

Thursday 15th July: Harthope Valley,
organised by **Estelle** ☎ **07803 137279**.

Monday 2nd August: Acklington,
organised by **Penny** ☎ **788278**.

Thursday 19th August: Humbleton Hill,
organised by **Brenda** ☎ **788470**.

For more information please contact **Jan & Sheena** ☎ **07801 005634**

GROUP ACTIVITIES

Junior Football Club

Longhorsley juniors have now finished all games for the season but are still training on the common.

The kids have had a great season and we are looking to have 6 teams next year, u9,u10,u11,u12 and two u13 teams. We are always looking for u9 players, please get in touch if you know of anyone interested.

Planning has been approved for the replacement of the containers and we are excited to start the fund raising to get the new clubhouse installed for the start of next season.

Our June speaker, Ailish Henderson, introduced 13 members on-line to her interesting artwork making 'Stitched Collage Portraits'. She certainly puts a lot of thought and work into producing her portraits, sewn onto silk, from various bits and pieces. An excellent example of recycling!

Our speaker on Zoom at 7.30 pm on **1st July** will be Liza Jones. We are promised a lively talk on the history of ladies underwear, so be prepared for a rummage through your 'drawers', ladies! She comes well-recommended and includes, among others, examples of Victorian and Edwardian drawers, pantaloons and combinations and a selection of 20th century pieces.

Hopefully, this may be our last Zoom meeting for the time being as we intend, weather permitting, to again hold our **5th August** meeting outdoors with a picnic in the Old Church Wood. If we can meet in the Village Hall on **2nd September** - all being well- this will be just a get-together, catch up and a social evening.

August/September arrangements TBC by email nearer the times.

Thank you, **Marian Chilvers**, Secretary 📞 **788351**

Christian Vision for Men

The Christian Vision for Men group is back having its monthly breakfasts at the Angler's Arms again, now that lockdown restrictions have eased.

We shall be meeting on **Saturday 31st July** and **Saturday 28th August** at 8.30am. This will be an opportunity for men to meet together again for discussion on Christian issues. The charge for those attending is £9.

Local History Society

Longhorsley Local History Society hopes to start meeting again in the Village Hall from September, subject to any changes in restrictions.

The first meeting will be on **Tuesday 14th September** at 7:30pm.

Our topic will be the introduction of a newly published book by our resident author and historian Mr Billy Ricalton, 'Longhorsley in WW2'.

Billy will give a talk about the book and the village in the war and copies will be available to purchase.

This was a very interesting period in the village's history so put the date in your diary!

St Helen's Church Sunday Services:

10am Holy Communion

On the afternoon of Friday June 18th a vehicle reversed into the entrance to St Helen's Church causing considerable damage to the stonework. Thank you to everyone who helped with the incident. The church is now fenced off and out of use.

We are very grateful to Ian Pagan for enabling us to use Longhorsley Mission for worship.

This will take place on Sundays at the usual time of 10am at The Mission.

You are reminded that you must not attend if you have any of the symptoms of Covid-19. Please remember to comply with social distancing rules and wear a face covering.

There are no other services or meetings in St Helen's until further notice.

Kids Corner

Jacob in St Helen's First School's Early Years wanted to share with you his 'poster' he made. He was on a walk up the hills with his Auntie Debbie in Ingram Valley and was appalled by the litter and he decided to start a 'save the world' campaign. This is the first of his posters.

Thought for the Month A Box of Chocolates

Can you remember this famous film quote?

"Life is like a box of chocolates.

You never know what you're gonna get."

Believe it or not the film in question was first released in 1994 - this makes me feel old! The online reviews refer to the lessons the film portrayed through the central characters of a mother and her son, which are grounded in the dramas of everyday life. Such was its impact that the movie won six Academy Awards.

If like me you are old enough to remember the film, yes, it depicts everyday life but it also has the ability to make the viewer think and stir up emotional responses. The film is littered with inspirational quotes not just the box of chocolates; here are a few more below which give food for thought and for me resonate truth:-

"Don't let anybody tell you they're better than you."

*"I'm not a smart man. But I *know* what love is."*

"My mama always said, dyin' was a part of life. I sure wish it wasn't."

"You have to do the best with what God gave you."

Perhaps you might agree with me that the analogy of life being like a box of chocolates is so true. Would your life be a box of diary milk, a Thornton's special collection or a box of heroes? Seriously though many of us like to feel in control (some more than others) and to a certain extent we can be. I am not saying planning is not a good idea but sometimes the unexpectedness of life takes over and it throws a curve ball. I might for example pick a Turkish delight out of the box of chocolates - one of my least favourite sweet treats and if I am lucky I can hand it to the person in my family who likes them.

But sometimes we cannot do that with what we face in life and have to go through the difficult times. In the film the main character has a learning disability and a mum who has a faith in God. She does all she can to encourage her son but at the same time does not hide the realities of life from him. Does her faith help her? I am sure it did, drawing comfort and strength from her faith, knowing that Jesus went with her through every stage of her life. A verse from the Bible which reminds me of God's presence is in Exodus 3:12 where God promises Moses he will be with him leading the Israelites out of Egypt. So in all experiences of life, like the variety in a box of chocolates and those sweets we would perhaps prefer not to eat, would you live differently knowing that God was with you every step of the way? Only you can answer that one but for those still wondering about the answer to the first question it's "Forrest Gump."

Your County Councillor

I have asked that residents get their say in any Boundary Changes which may or may not be introduced. We understand that the proposal is to move Longhorsley Ward from the Berwick constituency to Hexham instead. And it is an absolute honour to be re-elected again to be your county councillor again - if I can ever be of any help do please just get in touch.

Final Accounts 2020/21

At the Parish Council Meeting held on 9th June, 2021, Members received the Annual Internal Audit Report 2020/21. Members also received, considered and approved the Annual Governance Statement, Annual Accounting Statements and supporting documents for 2020/21.

All financial statements and supporting documents have now been forwarded to the External Auditors, PKF Littlejohn for review and therefore please note that all Accounting Statements are currently "**unaudited and subject to change**".

The Notice of Electors Rights and Inspection dates, running from 14th June to 23rd July, were also agreed and have been placed on the website and noticeboard.

Flooding at the Whitegates Area

Northumberland County Council recently conducted a CCTV survey on the culvert which crosses under the path connecting Whitegates and Church View. The results were that the Northumbrian Water's sewer network is in good condition. Works to install an additional trash screen are also being progressed. A survey of the second culvert, which would have carried the watercourse pre-development of the estate was abandoned a short while into the survey due to a build-up of water in the pipe, which usually points to a constriction issue and this is to be investigated further. We will keep residents updated as and when any reports are received from NCC.

Planning Application - Belmont (was Breaking News)

Because Longhorsley Parish Council continues to have some significant objections the application will be decided by the Strategic Planning Committee. The case officer's recommendation to the committee is that the application is approved subject to conditions.

The Parish Council's objections relate to the change of use from commercial to residential, vehicle access via the footpath and the enclosure of a small part of Village Green.

The next Strategic Planning Committee meeting is Tuesday July 6th at 4pm and will be open to the public. We will send a Breaking News email when the agenda is published. More details on the newsletter website.

Local Plan Consultation on Main Modifications

NCC is inviting comments on the proposed Main Modifications. Comments must be submitted by August 4th and should relate only to the Main Modifications in the schedule, and not other parts of the plan. There is no need to repeat any previously submitted comments as these are already before the Inspectors.

As far as we can see there are no Longhorsley specific issues. More details, including how to comment, are on the newsletter website.

NHS Data Sharing

From September 1st the NHS is introducing a new way to share patient data kept by GP practices. It was due to start on July 1st but has been delayed to allow patients more time to learn about the system.

The data will not include your name or address and no one will be able to directly identify you in the data. The data will only be used for health and care purposes. It is never shared with marketing or insurance companies. The web version of the newsletter has more details.
