Matters Arising From the Floor

The WI asked about planting flowers along the roadside at Whitfield. Cllr Hutchinson had already spoken to Northumberland County Council who have said, due to health and safety issues, they would not allow it.

It was then requested that plants be placed at Carrs Mill as they have been recently dug up. The WI would like sustainable plants to encourage more bees, butterflies and wildlife. Members were in agreement and Cllr Blackett-Ord offered to have a look at the area.

There being no other business the meeting closed at 7.15pm
