At our September meeting we were delighted to present in person our Emily Wilding Davison Award jointly to Eve Massey and Mia Newcombe. As we were unable to give the Award out in 2020, it had been decided that they should share it for 2021. Both girls had been nominated for going above and beyond the call of duty in the community during the pandemic - Eve at work in the Village Shop and Mia at Todburn Stables.

It was a relief to be able to meet again in the Village Hall and the rest of the meeting was given over to catching up on business and with each other - meeting up with friends, old and new.

Our meeting on **Thursday 7th October** will again be in the Village Hall at 7.30 pm. Our speaker will be Carol Burnett (who introduced us to the Art & Craft Movement on our first Zoom meeting last July). This time we will meet Carol 'for real' when she gives us an insight into "Home, Sweet Home": Norwegian style" - an introduction and personal account of the variety of building styles on Norway's west coast.

Please join us if you are interested. All welcome.

The work on the poppies is coming along well but we need lots more – keep up the knitting, ladies!

Any information, please contact **Marian Chilvers**, Secretary ☎ **788351**

Thought for the Month

As we move into the month of October, we are all aware the nights are drawing in. I've heard many people over the last month or so saying that the dark nights seem to have come around a lot quicker this year. I just suppose that in the last year or so, we have wanted the light to last longer after the darkness of the pandemic.

Pope Saint John XXIII said "If God created shadows it was to better emphasise the light."

When we become anxious or afraid, or when we feel alone, remember it is okay to admit that. In the darkness there are bearers of light who can brighten up our day; where we know we can turn to someone who would help us and point us in the right direction or to just be that listening ear, or even just the simple gesture of a "hello" in the street.

We could say that we do not have anything to offer, but each of us can be that glimmer of hope in the life of other people, we can be that light in the darkness and we should never underestimate the good we can be and do in our world.

Jesus reminds us that even a cup of water given will never go unnoticed. Each of us called to make a difference in the world and the difference we want to see in the world begins with us.

My prayer is that each of us can be light to others, and that we can experience the light that each other brings with the many gifts and talents we can offer no matter how big or small it may be.

Your County Councillor

As we know recent weeks in Afghanistan have been desperate for their citizens and especially those trying to flee their country. That is why I have said that the County Council want to, and will do, our bit for their refugees. At the time of writing we are still awaiting final details from Government as to how many we might be able to take into the County but I've been amazed by the kind offers of help that so many have made.

Hopefully we will soon be able to offer some families who have been through this ordeal a new home in Northumberland.

NCC Highways have identified possible locations for passing places on the Smallburn Road and we are working with the Parish Council to see what can be done.

As always please get in touch if I can help with anything -

Poppy Bombing

The Royal British Legion was formed in 1921 and, as this year is the centenary, Longhorsley Women's Institute and Embroidery Group are currently working together to knit and crochet poppies to display around the Village Green over the Remembrance week in November.

Having just lived through a period of about 18 months where village hall group activities had to be curtailed, it is hoped that this communal creativity will bring people together and cause a smile.

Any donations of knitted or crochet poppies would be greatly appreciated.

Village Halls History Project

Community Action Northumberland are running a project aimed at recording the history of the village halls in the county.

As part of this, Longhorsley Village Hall is conducting an oral history project looking at recording the memories of the villagers about the village hall, its building, what there was for the community prior and any interesting stories around the hall, personal, or community.

If you would like to participate, a member of the team will record your memories on tape which will then be held by the county archives for posterity. You will also receive a CD of your recording for you to keep.

Deborah Boyle

Following the passing of Deborah on the 30th July, I have been overwhelmed by the love and support from the village. I want to thank everyone who sent a sympathy card, made a donation to St Oswald's Hospice or paid a tribute to Deborah via the Journal Obituaries site. It means so much to know how caring you all are. This is the reason Deborah and I moved to Longhorsley, to be part of a close community and I just want to say how grateful I am. My life will never be the same again, but at least I have the comfort of living in the most beautiful village in Northumberland. **Peter Boyle**

Meeting notices are displayed on village notice boards, with minutes and other info found on the Parish Council website at:

northumberlandparishes.uk/longhorsley

In the event that the meeting has to be moved to a ZOOM meeting, a notice will be placed on our website giving the joining instructions.

Allotments

At the time of writing, we have a vacant allotment plot which is available to residents of the parish. The cost of the allotment is £10 per annum plus a share of the water charge. During these unprecedented times, the allotment area is a place where you can go to forget your troubles and grow your own produce. An application form is available through our website or by contacting the Clerk - "Get Digging"!!

Emily Wilding Davison - Village Plaque

There is currently a plaque on the former home of Emily and we are looking into how to register this as a Community Asset. At present, only English Heritage has the entitlement to erect the formal blue plaques and these are normally restricted to the London area. As we believe that this is an important part of our social history, we will take this onboard.

Archies Pond Project

The first part of the project will be to dredge the existing ponds once the wildlife has left. Smaller overspill pools will be created next to the main ponds too. After the dredging new decking will be installed together with maintenance to the existing footpaths to better accommodate wheelchair and pushchair users.

We have received several donations from local residents totalling £3,500, but if you would like to contribute, please contact the Clerk.

Community Orchard

We will be planting a small community orchard on the corner of the West Road and Smallburn Road this autumn, hopefully NE heritage varieties. There will be eight trees, apple, pear and plum, which we hope will provide a lovely show of blossom in the spring and fruit, which will be available when you are passing, in the autumn.

These will replace the cherry trees which had to be removed.
