146/2022 PUBLIC COMMENTS: Ed Walker – Cemetery work

Mr Walker reported issues with sinking graves, 2 in particular. In his opinion this is due to the clay soil. Mr Walker proposed the PC purchase top soil which can be used to infill all sunken graves. Grass seed can then be used to ensure regrowth where necessary. He has sourced good top soil (ungraded) for £150 delivered by Macleans of Alnwick. Several of the barge boards also need replaced, however, they are of differing lengths and it is difficult to give a price. Cllr Williams proposed the top soil is ordered and 2 boards are replaced to give a better idea of cost, Cllr Dawson seconded – all agreed. Cllr Bramley proposed that Len Smith & Sons are contacted to remove the clay in the soil pit, to allow the top soil to be delivered and stored in the soil pit, Cllr Fordy seconded – all agreed.

Cllr Dawson noted how well the cemetery is looking and thanked Mr Walker for his hard work.
