Clerk: Clair Lewis
65 Main Street, Felton
Northumberland, NE65 9PT
Tel: 07809 205548

To the Members of Felton Parish Council:

27 June 2022

You are hereby summoned to attend a meeting of Felton Parish Council in Felton Village Hall on Monday 4 July 2022, **at 7.15 pm** for the purpose of transacting the following business.

Felton Parish Council may at any time pass a resolution under Section 1(2) of the Public Bodies (Admissions to Meetings) Act 1960 to exclude public and press if the business being discussed is or becomes confidential for any reason. The reason will be stated as part of the resolution.

Clair Lewis

ITEM 4 – DRAFT MINUTES

At the Meeting of the Parish Council held at Felton Village Hall at 7:15pm on 6 June 2022. The Meeting started late at 7:18pm.

Present: Cllrs J Cruden, G Cuthbert, R Evans, C Gamble, T Hood, A MacDonald, L Sowter (Chairman) and A Walton.

28. Apologies for Absence – Cllr Blagburn

29. Declarations of interest in items on the Agenda and Granting of Dispensations

- a. Cllr Evans disclosed an interest in Item 18 (Correspondence). Cllr Evans expressed dissatisfaction that his emails had not been listed in correspondence received and that despite reminders and assurances received from the Clerk, the resolution passed by the Council in February had not been actioned. The Clerk informed Cllr Evans that the document in question had been signed and that she had a copy with her to pass to him. Cllrs Cruden and Sowter stated that they had both signed the document. The original will be sent to Cllr Evans' solicitors.
- b. Cllr Walton declared an interest in Item 17a (Felton & Thirston Fair) as a Fair Committee member.
- c. Cllrs Sowter, Cruden and Gamble declared an interest in Item 20 (Ongoing Matters) to the extent that access on Recreation Lane is discussed as they all own properties on the Lane.

30. Public Participation

- a. A resident stated that they had had a further letter from NCC relating to the Mouldshaugh Garages. The letter states that NCC want to knock down the third row of thirteen garages to make room for eleven parking spaces. The Parish Council has not received a copy of the letter. The resident pointed out that there is a difference in parking your car in a garage at that distance from your house, but that you might not have the same insurance cover if you park it in a parking space that far away. NCC have asked for a meeting to update the Parish Council, provisionally on 17 June 2022. It was agreed that sufficient councillors are available and the meeting should be accepted.
- b. A resident stated that his email of 20 May 2022 listed in correspondence did not only refer to DPIs but also requested an apology. He noted that he had received an interim response but no formal response to either item.
- c. A resident stated that it was a shame his request was not included on the agenda, for the Parish Council to consider freezing or reducing the precept due to the cost of living crisis. The resident accepted the response provided by the Clerk by email but suggested it would have been good for this to have been discussed at the meeting so that the public were aware and that residents requesting items may have additional information which they could share with the Parish Council. The Clerk stated that the precept acts as a balancing figure between income and expenditure, and that the Parish Council cannot set the precept without carrying out its budgeting process. As such, there is no decision to be made at the present time which could be included on the agenda.
- d. A resident stated that no formal item had been included in the Bridge Newsletter about the Annual Parish Meeting, contrary to the intention of the Parish Council at the last meeting. Cllr Walton apologised for this as she had omitted to include an attachment when sending emails to the Bridge newsletter team. By the time this omission was discovered the newsletter had already gone to print.

31. The Minutes of the meeting held on 9 May 2022 were approved as a true record subject to the following amendments:

- a. **Minute 5c (wording in square brackets)** – inclusion of additional detail, wording provided by Mr Lings.
- b. **Minute 8 (table)** – correction to members of the Contracts Working Group, incorrectly listed.
- c. **Minute 8 (beneath table)** – amendment of “is willing to be appointed” to “has been co-opted”.
- d. **Minute 16a** – amendment of “a resident” to “a committee member”.

32. Finances

- a. The financial statement and budget monitoring document to 24 May 2022 was received. The Clerk explained that the insurance payment shows as a negative. This is due to new formatting of the summary, to only include 50% of the budget allocation until the second precept instalment is received in September. A resident asked if the funds should be moved from General Reserves to cover the insurance payment in the meantime and the Clerk agreed that this should have been done. This will be corrected for the next sheet. The Cemetery summary has not formatted in the same way as all expenditure is paid from reserves and then allocated three ways, with the contributions from each of the three councils acting as payment against that council's share of expenditure.
- b. Resolved: to authorise the following payments:

Payee	Head of Expenditure	Cost	VAT	Total	Reference
S Wilson – Rent	Allotments	£75.00		£75.00	
Three-16 Productions	Remembrance		£15.00	£15.00	
Staff Salaries and Expenses	Salaries and Expenses	£1,596.04		£1,596.04	

Staff Salaries include annual maintenance work carried out on the War Memorial and Davisons Obelisk.

33. Finances – Accounts and Audit for the Year Ending 31 March 2022

The internal audit is ongoing; the Clerk has received some queries from the internal auditor to which she is responding. The Parish Council will need to have an additional meeting to approve the accounts and to complete the AGAR, provisionally scheduled for 20 June 2022.

34. Felton Surgery

The Public Right of Way (Footpath) at the north east of the surgery land has been adopted by NCC as both a PROW and also under the Section 38 order as highway. NCC may take steps in the future to resolve the dual adoption and to put the footpath on one or other of their maps. The boundary to the north of the surgery land appears to be correct: the boundary steps away from the fenceline and appears to include all the Bellway land. The boundary to the west of the surgery land appears to have been picked up originally from a map of the farm. No further information has been provided by Assura, the surgery or CCG about the progress of the development.

Resolved: To proceed immediately with the transfer of land from Bellway to the Parish Council with the plan as previously sent by Bellway.

35. Report from County Cllr Trevor Thorne – None received.

36. Update from Committees and Working Groups

- a. The Recreation Field Committee is making progress with the MUGA and Play Area regeneration project. Cllr Cuthbert and the Clerk are meeting with a play park contractor on Friday and other meetings are being arranged. The contractors are keeping the boundaries of the field pushed back and have strimmed back the weeds. The Committee are considering all options, including renewal of the surface as has been carried out at Vyner Park. Public consultation will be undertaken to establish what residents are looking for, whether this is a basic playable surface or whether the Parish Council should be seeking funding for a better surface.
- b. The Cemetery Committee has had its annual meeting, appointing Cllr Hood as Chairman and Cllr Greg Anderson (Newton on the Moor & Swarland Parish Council) as Vice-Chairman. The Committee has considered the waste area and is now looking to cover this with netting rather than a tarpaulin, to avoid issues with rainwater. A new wheelie bin house is being considered to prevent the bin from blowing over. The Clerk believes NCC agreed to take the bin from the Cemetery for emptying and to return it; this does not seem to be happening consistently. The Clerk will ask for confirmation.

37. Recreation Field

- a. Resolved: To approve the purchase of 40m³ play bark from Wharton Landscapes, up to a maximum cost of £3,000.
- b. Resolved: To authorise the Clerk to instruct Oliver Lambert & Sons to carry out pre-fair safety checks and any necessary repairs to the electricity boxes on the Recreation Field. Access into the electricity boxes has now been sorted out.

38. Parish Representations at Meetings – None

39. Update from Northumbria Police – None received.

40. Leamington Lane Bus Shelter

In between meetings, Newton on the Moor & Swarland Parish Council had indicated that it would be prepared to adopt and maintain the bus shelter. Unfortunately, this offer was subsequently retracted due to feedback to Newton on the Moor & Swarland Parish Council from its parishioners. Cllr Cruden has obtained an informal estimate of demolition cost from P J Blewitts of around £300. The Parish Council considered the relative costs of demolition and erection of a new shelter if bus services returned, compared to likely costs for repair of the current shelter. The Parish Council considered the health and safety risks of the shelter in its current condition.

Resolved: To demolish the shelter. The Clerk will ask P J Blewitts for a formal quote.

41. Ramp at Riverside

The Parish Council considered the quote received from C Bowden to make repairs to the ramp at Riverside. The Parish Council noted that only one quote had been obtained and the difficulties in obtaining further quotes due to the SSSI. The Parish Council also noted that further work may be needed to the ramp if more extensive damage is exposed during the works.

Resolved:

- a. To suspend Financial Regulation 11.1.h for the reasons set out in the agenda and to approve works by C Bowden up to a maximum cost of £5,000, subject to the clerk asking for a guarantee of the works from C Bowden and to receiving approval of the works from Natural England and/or the Environment Agency as necessary.
- b. To contact County Cllr Thorne as he had pledged to Cllr Cruden to make a contribution from his Members Small Schemes budget for the works.
- c. To look at whether funding is available through NCC Community Chest.

42. Red Phone Box

Cllr Cruden has obtained further information from the company regarding the cost of repairing the phone box. The cost would be £2,9995 (plus VAT) if the phone box is delivered to them. If not, there is an additional cost of £760 for collection and £860 for the box to be re-sited. The next cheapest company quoted around £5,500. The Parish Council discussed the expertise required to remove or re-site the box without causing further damage. The company may also need to replace some of the cast iron base panels with steel, at an additional cost of £125 per panel. The exact cost cannot be determined until the box is with the company and they can assess the work needed. The Parish Council considered whether it would be more cost effective to replace the phone box with an already refurbished one, and to possibly swap the box identification number from our box to the replacement box.

Resolved:

- a. To obtain quotes for a replacement box.
- b. To speak to the NCC Conservation Officer for advice.

43. Local Transport Plan Programme 2023-24

The Parish Council discussed the summary and feedback produced by NCC on last year's LTP submissions and agreed this was disappointing. The summary of each request did not reflect what had been requested or statements made by NCC officers to the working group. The various schemes are interconnected and while the Parish Council does not expect them to all take place at once, there needs to be a planned process. The Clerk will raise this with County Cllr Thorne and will ask for more detailed feedback from NCC. Felton Primary School Council has raised safe road crossings with Anne-Marie Trevelyan and the Clerk has followed this up. A speed survey has taken place within the last twelve months but this is not thought to be the same as the traffic survey required to assess the need for a pedestrian crossing.

44. Felton & Thirston Fair

- a. Resolved: To have a consultation stall at the Fair, to include consultation on the Recreation Field Regeneration project including the play area and MUGA, and information on the Biodiversity and Climate Change Committee's work, and the plans to refurbish the red phone box.

[Cllr Cruden declared an interest in the next item]

- b. Resolved: To permit vehicle access along Recreation Lane for Felton & Thirston Fair Committee members and associated persons, i.e., judges and stallholders, and to permit pedestrian access for visitors to the Fair.

45. Correspondence

- a. Cllr Cruden commented on the email received on 13 May 2022, regarding the Annual Parish Meeting. Cllr Cruden has pledged to advertise the meeting on social media. Cllr Walton will print a notice for the community noticeboards. The Council discussed whether it should have its own social media page and the advantages and disadvantages of this. The Clerk will add this to the next Agenda.
- b. A resident commented that not all correspondence was listed, for example from the internal auditor which should be circulated to all councillors.

46. Planning

Planning applications appear to be progressing very slowly at NCC. Since the last meeting, one application (21/04657/LBC and 21/04661/FUL) has been permitted.

47. Ongoing Matters

2020/8 The bin outside Hillrise is regularly overflowing. The Clerk will ask NCC how often collections are made.

[Resolved: To extend the meeting to finish the Agenda]

2020/31 The Parish Council is still awaiting an update from NCC on the Lodge. The Clerk will request this again.

2020/39 Cllr Sowter asked what this item related to. The Clerk needed to produce an Action Plan for her CILCA qualification and it was agreed at the time to put one in place for the Parish Council. The Clerk's submission for CILCA can be used as a starting point.

2021/5 The paving slabs have been jet washed. A resident has sanded between them. Unfortunately the sand seems to be coming out and may need to be replaced by a dry. There is a raised kerb edging stone. The Clerk will report this to NCC.

2021/6 A resident queried the dates in the Ongoing Matters List, for example, this item (employment contracts) was originally raised at a Finance Committee meeting on 5 October 2021, but according to the list it was /raised on 6 December 2021. The Clerk updated the List including dates when it was put back onto the Agenda for discussion. The employment contracts were discussed at the December Parish Council meeting.

48. Items for the Next Agenda

- a. The following items were agreed for the next Agenda:
 - Social Media for the Parish Council
 - Red Phone Box
 - Leamington Lane Bus Shelter
 - Local Transport Programme Plan
- b. A resident asked the Parish Council to consider including a motion to remove the need for the Clerk to attend committee and sub-committee meetings, where these do not involve discussion about finances or the precept, in order to reduce the Clerk's hours to 25. Cllr Sowter noted the request.
- c. A resident has heard that Swarland First School may possibly be closed. This would have implications for Felton Primary School and for school traffic, which might be a possible reason to have parking at the garages.

49. Date of Next Ordinary Meeting – 7:15pm on Monday 4 July 2022 at Felton Village Hall.

Chairman closed the meeting at 9:30pm.
