## FINANCIAL REPORT 2021-2022

- The precept this year has remained the same at £2670 but has been increased for 22-23 to £2750.
- A service of the speeds was undertaken at a cost of £350.
- VAT of £73.33 was received. This was £70 from this financial year and £3.33 from 2019.
- The national pay increase of 1.75% for the clerk was not confirmed until March 2022. The back pay will be added to the next pay in September.
- There are now monthly bank charges of £8 per month with £1 per cheque. The clerk will pay some invoices directly, when appropriate, and claim the reimbursement.
- The insurance is over 3 years but has increased slightly to account for the war memorial.
- Two payments to ICO of £35 were made in the year. It is normally collected in March so there should just be one per annum in future.
- £50 to both GNSS and The Duke of Edinburgh Award were paid in this year.
