

**Haltwhistle & District Joint Burial Committee
Clerks Report & Correspondence
Up to the 29th of May 2024.**

Clerks Report:

Reported at the last meeting that Clerk had completed FILQA finance training with SLCC. Clerk really enjoyed the course and found it very informative. Next course would be the Introduction to CILQA which is the next course I am hoping to get on, once ready.

COOP Updates.

Invoices getting sent over to the coop in a timely manner – receiving payment within 7-10 days, process seems to be going well, and the communication between the coop and myself has hugely improved.

Correspondence up to 29th May 2024:

Latest news bulletin from SLCC received and forwarded to members.

Discretionary requests received in relation to Wydon allotments – correspondence brought along to the meeting to be discussed.

D Benson is emailing invoices straight to JBC clerk every Friday.

Resident reported issue regarding headstone at Haltwhistle Cemetery, email forwarded to Cemetery Keeper.

Defra notice for allotments put on allotment noticeboard, and letters sent to allotment holders.

Latest response from network rail:

No update as 29th May 2024. Clerk has sent another email to chase up to see if Network Rail have looked at the wall yet, and if they have a plan in place.

Clerk: Miss Katie Heaney
